To order a pickup

1. Click on the dropdown “Shipping” and select “Schedule and Manage Pickups”

2. Click Schedule a Pickup in the orange box
3. Be sure to fill out the appropriate boxes similar to the screen below. BLOOD AND URINE SAMPLES MUST ALWAYS BE SHIPPED EXPRESS. Make the latest pick-up no later than 5pm.

A screenshot of the FedEx 'Schedule a Package Pickup' form. The form is divided into several sections: 'Account Details', '1. Pickup Address', '2. Package Information', and '3. Complete Pickup'. The '1. Pickup Address' section is active, showing fields for Country/Territory (United States), Company (CARE), Contact name (Farrah Ishliq), Address 1 (4511 ZEBE AVE), Address 2, ZIP (83204797), City (POCATELLO), State (Idaho), and Phone no. (208-984-2273). The '2. Package Information' section is also visible, showing fields for Total no. of packages (1), Total weight (5 lbs), Pickup date (12/8/2022), Ready time (12:00 pm), and Latest time available (5:00 pm). There are checkboxes for 'Schedule a FedEx Express Pickup', 'Schedule a FedEx Ground Pickup', and 'Schedule a FedEx Express Freight Pickup'. The '3. Complete Pickup' section has a 'Schedule pickup' button.

4. Click Schedule Pick-up at the bottom and make a note of the confirmation number.
